

PROJECT: R.A.K.E. WISH LIST

(updated February 17th 2010)
www.ProjectRake.com

Please note that this list serves only as a guide. We are actively soliciting donations for the materials on this list and that it may become less current as new donations come in. If you or your company are interested in donating any of these items, or would like to offer us a discount, store credit or a generous gift towards their purchase, please contact our office at 610.869.7332 or info@projectrake.com. If you would prefer to adopt one specific job site and handle all of the materials for that homeowner, we can arrange that as well. All gifts are typically tax deductible.
